EXPERIENCE

Freelance Web Development — *Web Developer*

August 2018 - Now

Designed and developed responsive websites for small businesses.

Brian Head Ski Resort, Brian Head, UT — *Customer Service Associate*

November 2017 - April 2018

My job consisted of knowing the resort well enough to help new and returning guests to their desired locations.

Office Depot, Miami, FL — *Computer Technician/Salesman*

May 2015 - August 2015

I would diagnose, troubleshoot and repair computers and then communicate that information back to the clients in easy to understand terms.

SpiderBoost, Miami, FL — *Data Entry Intern*

June 2011 - August 2011

At this web developing company, it required to input in Excel information on products of websites that the business was developing.

VOLUNTEER

The Church of Jesus Christ of Latter-Day Saints, St. George, UT — *Full-Time Representative*

September 2015 - October 2017

- Led groups of volunteer missionaries, conducted weekly training meetings, followed up on goals, and created weekly progress reports
- Planned, organized, and taught workshops on goal setting, relationship building, and leadership skills.
- Increased volunteer effectiveness by providing training in individual communication, problem-solving, and productivity skills for missionaries.
